 (See page 29)

**40300 WIRE WATER JUG HOLDER**  
 (See page 10)

## WHY CHOOSE A KARGO MASTER RACK?

### STRENGTH IS OUR HERITAGE

Within each Kargo Master van or truck rack is a heritage that goes back to the first truck rack we produced in 1982. Since then, we've simply engineered the best modular truck racks in the industry. Durable, strong, and resilient, Kargo Master racks perform year after year and job after job. You can rely on our racks to withstand the test of time.

### FUNCTIONAL

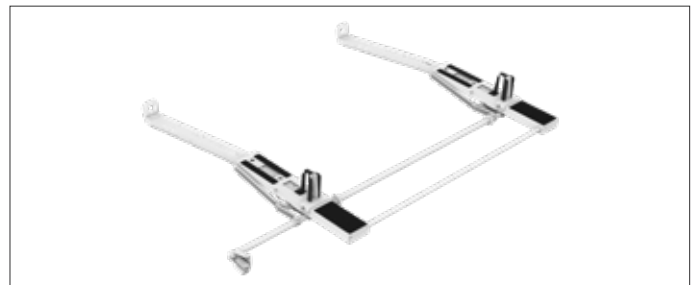

All Kargo Master truck racks are made from round tubing which is stronger than square tube designs. Easy to remove rear support bars and integrated tie down hooks give you total flexibility and security in loading your ladders and cargo. Our large ergonomic drop down handles make it easier to step up to your truck. We use swaged tube joints that disappear. Fasteners are OEM in appearance. Available in black gloss, silver or white powder coat finishes.

### STRONG

There is a big difference between supporting a static load and supporting that load while coming to a hard stop, veering around a tight freeway off ramp, or bouncing over pot holes or railroad tracks. Kargo Master makes the strongest production racks available, and it is easy to understand why. We use bigger, thicker, round tubes, with extensive gusseting of legs and cross bars.

# CUSTOMIZATIONS

## Build Your Van Interior Package. Your Way.

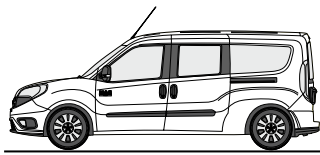

Kargo Master offers pre-configured packages for all van makes and for the most popular trades.

You can configure your own package using our base components and accessories. Engineering worksheets for each make and wheelbase are available at [kargomaster.com/vanlayouts/](http://kargomaster.com/vanlayouts/).

If you need assistance in customizing your van, call your regional account manager, your upfitter or Kargo Master customer service.

## ADVENTURE TRUCK RACK

**30070 BASE RACK**

**31680 OPTIONAL TELESCOPING SIDE BARS**

### Rack features:

- Adjustable length allows for easy configuration for any type of gear: bicycles, kayaks, canoes, tents and more
- Durable flat black powder coat
- 1.125" cross bar compatibility for all your sport accessories
- Strong 2" steel pillars
- Optional 2" telescoping side bars (31680)

The 30070 truck rack is the perfect crossover rack for your adventures both on and off the job. Built to withstand the rigors of the workplace or a rigorous trip to your favorite kayak run. Load up with materials or all the gear for your next excursion. This rack features sturdy 2" steel pillars and 1.25" cross bars making it compatible with most accessory mounting systems. Optional 2" side bars allow you to attach numerous items such as tool hooks or truck tents. Whether you are a warrior during the week or on weekends, this is the rack for you.

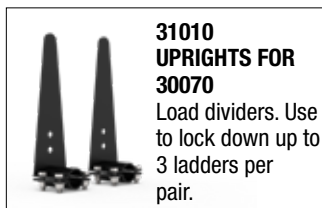

### ADVENTURE SPORT TRUCK RACK

Cargo Rack for All Full-Sized & Compact Trucks – Black  
Use for carrying ladders, etc. Compatible with most Yakima products.

	Rack	Options
Good for Work or Play - 2" Dia. Front and Back Upright with 1.125" Load Bars Clamp on Mount	30070	-
Optional Telescoping Side Bars - 2" Dia. Put a tent on Your rack!	-	31680
Uprights for 30070 (Pair)	-	31010

### Rack options:

- Telescoping side bars increase available mounting points and provide additional strength
- Adjustable length allows easy configuration for any kind of gear
- Side bars are not necessary for most commercial applications
- Side bars are essential, however, if one intends to mount a tent

**31010 UPRIGHTS FOR 30070**  
Load dividers. Use to lock down up to 3 ladders per pair.

# TRUCK ACCESSORIES

## EXTRA CROSS BARS

### PRO II, III & IV

- 31110** 2" Black - Pro II
- 31600** 1.625" Black (Steel) - Pro III
- 31690** 2" Silver (Aluminum) - Pro IV
- 31700** For 1.625" Dia. Tube - Silver (Use with 80070)

## WINDOW GUARD

- 31080** Protects rear cab window while adding support to both the racks and the truck bed. For 01000, 80000
- 31080C** Clamps to attach Window Guard to 01040, 80000
- 3108SD** Clamps to attach Window Guard to 01040 (Super Duty)

## EMERGENCY LIGHT MOUNT BRACKET

- 31170** Mounts emergency flasher to any location on side rails.

## UTILITY HOOK

- 31150** Side mount hooks holds coiled materials within reach of ground.

## RETRACTABLE RATCHET STRAPS (PAIR)

- 31490** 2" W x 7' L. Attaches to the round tubing on truck and van racks.

## RETRACTABLE RATCHET STRAPS (PAIR)

- 31500** 1" W x 6' L. Attaches to the round tubing on truck and van racks.

## FRONT BAR WIND DEFLECTOR

- 31570** All truck racks make some wind noise when air rushes around the front U bar. This clamp-on deflector can be aligned to significantly reduce noise.

## STANDARD FULL-LENGTH BED RAILS

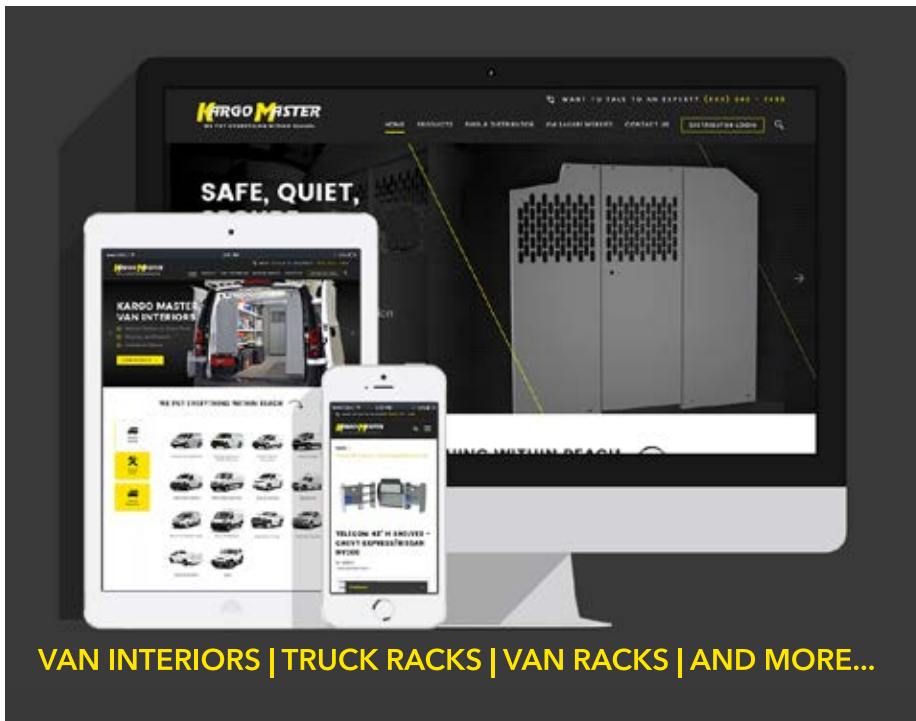

- 31270** 72" - Pro II & Pro III
  - 31280** 78" - Pro II & Pro III
  - 31300** 96" - Pro II & Pro III
- These rail-type mounts distribute the rack load, protect the bed sides and provide a strong base for mounting a tool box.

## 6" TALLER LEGS (SET OF 4)

- 31530** For 01110
  - 31540** For 01130
  - 31650** For 80030
- These extended camper cap legs are 6" longer than standard to provide extra clearance for high-rise camper caps.
