AND MAKE YOUR BUSINESS SUCCEED

No matter your trade, Kargo Master's array of storage and van accessory products let you customize your fleet vehicles for your precise needs. As the leading manufacturer of truck and van productivity solutions, we engineer durable, easy-to-use products that install quickly and easily, so you can focus on efficiently serving your customers.

All of our products are fleet tested, ergonomic, and built to last a lifetime. And our upfitters are the best in the business, ready to help you build the perfect van interior so you can focus on serving your customers.

At Kargo Master, our bottom line is simple: we only succeed when you do.

BUILD SOME SHELF RESPECT

Kargo Master commercial van interiors give you the ultimate in durability and functionality.

Choose from an extensive range of shelving to build the work vehicle of your dreams, one that works as hard as you do. Our shelving will handle anything you can throw at it, giving you the confidence to take on any job with added features like three point mounting, heavy-duty shelf lips, and more.

18-gauge steel, hemmed and embossed for strength and security

Easy to adjust shelving

16 gauge side panels for rigidity and strength

Steel shelf back plates

FLAT OUT AWESOME

Our folding shelves fold flatter than the competition's to maximize van interior space. Perfect for parcel delivery applications, they're lightweight, easy to install and each shelf is rated to 150 lbs. Made out of aluminum, with uprights of powder coat finished steel for extra rigidity.

Clamp & Lock Ladder Rack

Kargo Master has improved the performance of our aluminum and steel ladder racks by investing heavily in our facilities, systems, and SAE & ASTM manufacturing process. The results are the most dependable ladder racks in the industry. Our drop-down ladder racks are easy to access and safely increase work productivity for a wide range of applications:

DROP DOWN LADDER RACKS

Get easy access to ladders with a simple pull of a handle.

CLAMP & LOCK LADDER RACKS

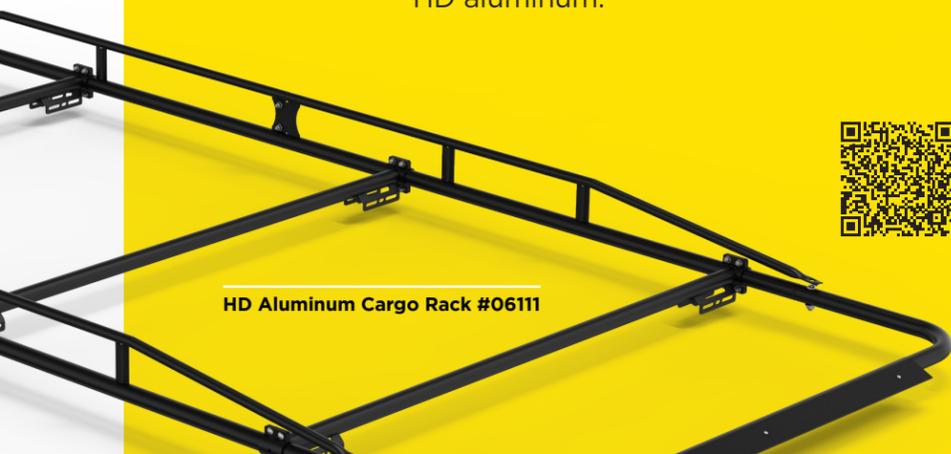

Easily lock and unlock ladders for quick get up and go.

CARGO RACKS

Carry materials, ladders and more. With a 1,000 lb capacity, carry what you need when you need it.

Kargo Master ladder racks accommodate all standard ladder types, with little or no adjustment required. They have minimal moving parts for maintenance-free operation and they install in half the time as the competition. They feature a low profile both when stored and during actuation. And the step ladder bracket add-on doesn't require expensive third crossbow. Available in steel and HD aluminum.

Drop-Down Ladder Racks for trucks with commercial caps

Kargo Master makes the strongest production racks available, with bigger, thicker round tubes, and with extensive gusseting of legs and cross bars. They also feature ergonomic drop-down handles to make it easier to step up to your truck. Year after year, job after job, you can rely on our racks to stand the test of time.

PRO II HEAVY DUTY

Constructed with 2" diameter x .083" thick high tensile strength mechanical tubing, the Pro II rack is designed to carry heavy materials and cargo. Up to 1,700 lb load capacity.

PRO III MEDIUM DUTY

Made with 1.625" diameter x .083" thick tubing, the Pro III is a lighter racking solution than the Pro II. Up to 1,000 lb load capacity.

PRO IV HD ALUMINUM

With the Pro IV, light doesn't mean weak by any means. Fabricated with 2" diameter x .12" thick T-6 aircraft aluminum. Up to 1,000 lb load capacity.

Make your truck racks perform just the way you want with Kargo Master's wide range of rack accessories, from tie down and ratchet straps to light mounts, extra cross bars and more.
